A sophisticated, page-turning double love story spanning forty years-an unforgettable Brief Encounter for our times.

It is 1960. When Jennifer Stirling wakes up in the hospital, she can remember nothing-not the tragic car accident that put her there, not her husband, not even who she is. She feels like a stranger in her own life until she stumbles upon an impassioned letter, signed simply "B", asking her to leave her husband.

Years later, in 2003, a journalist named Ellie discovers the same enigmatic letter in a forgotten file in her newspaper's archives. She becomes obsessed by the story and hopeful that it can resurrect her faltering career. Perhaps if these lovers had a happy ending she will find one to her own complicated love life, too. Ellie's search will rewrite history and help her see the truth about her own modern romance.

A spellbinding, intoxicating love story with a knockout ending, The Last Letter from Your Lover will appeal to the readers who have made One Day and The Guernsey Literary and Potato Peel Pie Society bestsellers.
