I would do anything for my dream job. Now I have to.

In order to save my skin at the office, I'm forced to sell it at an exclusive and illegal blindfold club. He paid thousands of dollars for one night to own me, but when my blindfold comes off, I want more. More nights, more rules, and more from this unavailable and uncompromising man.

Rule number one, no questions. Rule number two, no lies. But, rule number three? That's the hardest one to obey.
